

## The Clinical Establishments (Registration &amp; Regulation) Act, 2010.

Introduction: The Clinical Establishments (Registration & Regulation) Act, 2010 has been enacted by the Central Government to provide for registration and regulation of all clinical establishments in the country with a view to prescribe the minimum standards of facilities and services provided by them.

Goals:

- a). To provide minimum acceptable quality of services to the community.  
b). To create awareness among the community regarding registered medical practitioners and establishments so as to phase out quacks from the country.
